Jan. 31. 1882.

My dear Principal Dawson.

I have to thank you for  
your letters, and hope you will not have  
thought me long in answering. So much

consideration is required, that I have not  
wished to write you my opinion until  
I had time to think over what  
has happened while I was in

England.

I now send you  
a note from Mr Bourne which  
expresses your will see in the views

expressed in the accompanying  
open letter to you.

I shall be delighted  
to see you and any of the Presidents  
of Section who may be able to  
accompany you here, to talk  
over the matter. The only time  
when this house will be full  
will be from the 13<sup>th</sup> to

50  
185  
The 18<sup>th</sup> February, as I hope  
that if you can come before or  
after those dates, you will  
with your colleagues, give me  
the pleasure of staying with  
me at Government House.

Believe me

Yours truly  
Latham.

Love

My dear Mother,  
I have just received your letter  
of the 10th inst. and am glad  
to hear from you. I am well  
and hope these few lines will  
find you the same. I have not  
much news to write at present.  
I am, my dear Mother, ever  
your affectionate son,
