Dear Dr Dawson,

It is possible my name  
might have been on one  
of the sub committees  
had I been enabled to  
remain at the meeting -  
as I feel a living interest  
in the success of the under-  
taking I shall be glad  
to be placed in a com-  
mittee, either the second  
or third which are "invita-  
tion" & "provision" respectively  
My desire is to render my

useful rest - as a reward  
figure - based -
