Dr. Dawson  
Montreal.

Dear Sir,

We should be pleased to receive from you a photograph of yourself, so that we can procure a wooden graving for our advanced Readers now in press. If you will kindly send autograph at the same time we shall be glad to receive it for the same purpose. An early reply would greatly oblige as our Mr. Gage purposes leaving for New York in a few days to place in the hands of Artists there.

Yours Faithfully
