

Pres. College,  
Mar-13<sup>th</sup> 1882.

My dear sir,

Professor Campbell  
has sent Mr. Baynes a  
statement of the amount of  
work which we require of  
students receiving recitations  
in their Arts Course.

He also sent Mr.  
Baynes some time ago  
a minute indicating

What we think the Exemptions  
should be - I do not think  
our College can agree  
to the small amount of  
work done by some other  
institutions as the Rule  
in this matter -

Yours very truly
