

134 McKay St  
Friday

My dear Sir

I have received  
your note and pamphlet  
I will see Mr Hamilton  
about the property you  
speak of.

I am afraid I shall  
not be able to call on  
you at the College today

Mr W. B. Dawson ap-  
-plied to me some time

Since a Halifax for a  
post as Engineer on the  
new Railways to be built  
in Nova Scotia and I told  
him for myself, I would  
be glad when the time  
came for making ap-  
pointments to do what  
I could to forward his  
views

Yrs faithfully

E W Blacketer
