

Judge Mackay
Meyer

Saturday. 2 P.M.

Dear Sir. I cannot attend
the McMillan Coll. meeting
to day, being in court,
the Court of Review
sitting, although it be
Saturday. —————

With regard to the portrait
I would be for employ-
ing Barnard —————
I

I feel that he would
do all that we want
& well. —

I feel that frames
would not recommend
him if not fit, perfectly
fit. I would not willingly
pay large price to
Hodges, & prefer him.

But need we give
the commⁿ at once?

Perhaps

by law, so we might have the portrait
here by 1st of August. I under-
stand that it is proposed to pay
for it by voluntary contributions.

Yours truly

Amackay
