

O. R. 23^d May / 82

Dear Dr Dawson

I was glad to hear
from you by your letter
last evening - It seems to
me a long time since I saw
or wrote to you - My last
visit to Town (during your
absence) was not fortunate
I walked too much and
have been crippled ever
since - I am trying to
patch up to be an at the
Governors' meeting Saturday

I hope you will have
a satisfactory meeting
of the R.S. and that the
enterprise may prosper.
If I were 10 years younger
I should be ambitious
of becoming a member

With kind regards

Yours sincerely

Howard Day
