Dear Principal Dawson.

A manuscript was found
yesterday and Mr. Campbell mailed
it to your address. I hope it
reached you safely and proved to be
the missing one. Many thanks for
the copy of the Gazette - The writer takes
a very just view - and it is most
satisfactory to find that public

Opinion is nearly unanimous
not only as to the usefulness and
necessity of the Society, but also
to the success of the first
meeting - In the years to
come Lord Lorne will have
a real and true pleasure in
the growth and development
of his two children. The

Royal Canadian Academy, and
the Royal Canadian Society -

My wife joins in kind regards
to Mrs Dawson and your daughter

always truly y^r
