Dear Dr. Dawson

I write in haste just
to ack. your note of May 30
which has reached me to-day
here in the wilds of Pennsylvania
where I am now exploring
mounds & graves -

As you think it desirable
for me to go to Montreal
I will change my trip
& leave Penn. for Montreal
direct - arriving in M., as
early as possible next week
I can then answer you

D. S. What a sad loss we have
just met by the death of Prof. Rogers,
our treasurer. Mr. Perry is also dead,

letter to person &
also one from Dr. Hunt
which has just reached
me from Camb. I wrote
Dr Hunt a few days
since - I have sent
to my Asst. in Salem to
send you the corrected
list of members for
you to have the Local
Com. circular mailed by.
It has always been customary
for the Local Com. to send out
their circular -

In haste, in order to send
this 3 miles to the mail tonight,
but very truly yours

Dr. J. W. Dawson
J. W. K. K. K.
Montreal.
