

CITADEL, QUEBEC.

14th June 1882

Dear Principal Dawson.

My absence from Quebec.

has prevented your note, and

the proof it contained, from

receiving an earlier reply.

Pray receive my regrets for the

Delay. I now return it with

Lad Lanes' Corrections -

always truly

St. Winton

I only returned this morning
and was so constantly on
the move that they did not
forward my letters on.

I am so sorry for this delay
