Washington June 15. 1852.

Dear Sir,

Mr. Wm. Little has been here a second time and left for Phila^{del} by yesterday's morning train. He intends to stop there, and in New York for the express purpose of securing Railroad Arrangements.

On receipt of your telegram I wrote to him at once, and he has ~~my~~ letter this morning. He will inform you of what he has done in the way of reduction of fares.

He will attend the Worcester Meeting which Dr. Warden has called on the 20th inst, and will I think be able to secure harmony of action on the part of those interested in the subject. He has engaged one of those who was most active at the Cincinnati Meeting to come a week or two before the 21st of Aug, and I shall be there a little before that date.

Truly yours
W. B.roughs
