Dear Dr. Dawson

My Mother wishes me to
acknowledge with thanks
your letter of the 15th June &
to express her satisfaction
that the new Museum is pro-
-gressing so favourably -
She thinks thanks are especially
due to you for the interest &
labour you have bestowed

upon it & she hopes that in time
Montreal may possess a
superior Museum to the one
it has lost -

We remark that in the proposed
inscription my Uncle's second
name "Eduard" is spelt with
a u instead of an e but no
doubt that was an oversight -

With kind regards in which
my Mother joins

time

Believe me

Yours truly

E. G. Stewart
