

July 7<sup>th</sup> July 1852

Dear Sir,

Note and telegrams  
received. I went up to the  
Landel and signed the  
petition. Thanks -

I will have my own  
and very soon I hope that  
is today is about a fortnight.  
I am still very desirous that  
the English version should  
not be sent to the French  
press - and that its 'distri-  
bution should be for the  
benefit confined to the  
English press - There can  
as I told you in my

speeches diminish which escaped  
my attention from the fact  
of their being so many by per-  
sonal errors to correct.

I am furnishing the translate  
of your speeches -

You are very kind on me  
in saying that some would  
congratulate by being done with  
English -

Yours sincerely  
D. W. Johnson

R Chauncey
