

15th. July 1882

Dear Dr Dawson,

I have received all the Reports of Proceedings & am having them distributed by degrees.

I shall distribute the copies for the members of the two Houses later, when I have correct lists of newly elected representatives with their respective residences.

Copies have been sent to leading papers. I will also forward some to Southe's in the United States & England.

I have not sent copies to following; will you forward them

M. Chauveau
Prof. Johnson
Gen. Barnston
Prof. Harrington
Dr. Stevy Hunt

as they are all in Montreal,
and I shall want all ^{the} copies
I have,

It is hardly worth ~~the~~ ^{while}
for some time yet to get up
Memorial to Government & as
it would not be attended to
in summer day

Yours sincerely,
Joseph Bonnier
