Dear Dr Dawson,

Your third letter & the
extra Copies have just arrived, for
which I am much obliged. Gallay
also sent me some more of
which I have sent ^{to different parts} as desired
in your former communication. Your
notes are particularly interesting
some & I am glad that all
have had an opportunity of
fully understanding your views.

I do not think that I shall be
able to make further explorations
at Comber this year; but when
I do & if anything of importance
should turn up I will be sure
to inform you of it.
I am much obliged for your
kind invitation to be present
at the meeting of the Amer.
Assoc. at Montreal & should

like extending to the parents.
It is, however, impossible for
me to do so.

Hoping that you may have
a most successful meeting

I remain
Yours very truly
J. H. Wickes
