

T. STERRY HUNT.

Montreal, Canada,

July 30/82

F. W. Hicks Esq

Dear Sir: Will you please to  
arrange that any letters addressed  
to you in your official capacity, as  
one of the Hon Secy of the Local  
Committee for the A. A. S.  
may be at once sent to the office, to  
be opened by Mr. Gregor, our acting  
Secretary. The worst results are  
coming from neglect of the duties  
which you assumed in accepting  
the position of Hon Secretary -  
One of our distinguished foreign  
visitors, Prof. Szabo, wrote you  
from New York, July 17, a letter  
which reached our office only on the

29<sup>th</sup> Meanwhile, prof Szabo wrote  
me a week later, utterly at a loss at  
not getting a reply, saying he must  
leave next day for the West, where I  
cannot hope to reach him. This  
case I regretted the more for the  
~~reason~~ that for some reason prof.  
S. had not got my letter send-  
ing him a parcel the Allen line,  
asking him to be my guest.

Again, the letter of the Master,  
dated Scotstown, Que. July 15,  
did not reach us till yesterday.

If you can in any way prevent  
the occurrence of such delays you  
will greatly oblige the Local Com-  
mittee & yr obedt. servant.

Ernest W. Hunt
