My dear Dr. Dawson

I am very glad
to hear from you all
that there will be plenty
of rooms for all who
go to the meeting.
I suppose the rumor
started from the fact
that members have found
me that the hotels are
full, but it unquestionably
has spread that rooms are
difficult to obtain. I

have done my best to
quiet the alarm of
members & have referred
them to Mr. Benson.

Proof of ~~circulation~~ ^{program} is quite
good, & I will look it
over to night.

How would it do to give
Monday eve to Mr. Hovey
for his Game paper with
lantern views? - We can
undoubtedly find someone
who will be ready. &

I have not written you since
you so kindly sent the
postage stamps to my boy.
He was very much pleased
to get them & thanks you
very kind to remember him
& so do I.

Yours very truly
J. W. Dawson
