My dear Dr. Dawson

Would it be troubling
you too much to ask you
to let me have a post
card telling me on what
day I must be in
Montreal I read a paper
before the Association
Nov. by which by paper read?
I am just ret'd from
Caledonia Springs, & am
by no means as strong as
I shd. wish, & am not

likely to attend the whole
session.

~~But~~ I have ordered from
Paris Berthelot's
"Antiquitates Canarienses"
1880. It gives plates,
measurements, & comparison
of Canache skulls.

If you are likely to make
any purchases on the
subject, you might
like to have it, &
I could send it to
you.

I am dear Sir
Yours faithfully

Richardson

The subject of the Artan country has
turned out very interesting &
important, far more so than I
had expected. I have to thank you
for making ^{me} just results of researches unknown;
