Dear Sir

With reference to the
remarks ^{referred to} in your letter of the
26th, I may say in the first
place that the entertainment
referred to was one given in
my capacity as President of
the American Association, and
altogether at my own expense
and therefore I do not admit
that any one has a right to
challenge my choice of guests.
It was taken advantage of
by the Museum committee as
an occasion for travelling over
Mr Redpath's deed of gift
to the Museum, but in no
other respect was it specially

a moment's rest.

The institutions sent
me to the full extent of
the capacity of the building,
and were the Members of
the American Association, Mem-
bers of the Local Committee,
Subscribers to the guarantee
fund, entertainers of members
of the Association, Governors,
Fellows, Officers and Bene-
factors of the University and
a few personal friends including
as many of the graduates
as I could think of as
likely to be interested in the
matter.

I may add that any
graduate ^{has} ~~may be~~ ^{names} ~~on~~ ^{an}
mutata ^{with} ~~on~~ ^{the} ~~affluent~~ ^{diffusion} ~~with~~ ^{the} ~~sees~~
the museum is open at all
times to graduates and their
friends, and that an all-
corn is what Mr. S. owes
when ~~at~~ the graduates as
such will be invited to
an entertainment in the
Museum.

Further any graduate
may have seen an
invitation ^{with} ~~only~~ ^{or}
any way ^{the} ~~meets~~ ^{the}
meetings of the ^{the} ~~Spencer~~ ^{is}
of being a member of
it.

Copy to
Sight Hall

I trust that you will
see that neither you or
any of the packmen has
any reason for complaint
in the matter

Yours
W. Dixon
