New York Microscopical Society.

Meetings held at No. 64 Madison Ave., *NY.*
On the First & Third Fridays of Each Month.

New York, Sept 5 1882

Dear Sir

Permit me to thank you
in the name of this Society, as
well as for myself, for the
number and kind ^{and of excellent} of specimens,
of the *Cogoon* *madness*, you so
kindly put up for me; and
which I received from the man
in charge of the *P. R. Repath* *Box*,
while at the meetings at *Montreal*.
We all who were there can but
kindly cherish the memory of the
pleasant days spent at your
place; and the sight of the
specimens we have, and the slides
we shall make of the *Cogoon*,
which shall all be labelled
"Dawson", will always keep
your kindest memory for
you many favors, fresh in our

mind~~s~~ - wishing you many
happy years of continued happiness
+ usefulness
and hoping to have you again
preside over the "A. S. S." at
Montreal 25 years (if not before)
from now

Dear Sir
Yours very respectfully

Chas. S. Shultz
