SOCIETY.

D. W. Dawson.

Dear Sir:

When in Montreal at the meeting of A. A. A. S. I had hoped to find time to talk with you but could not persuade myself that the matter was important enough to occupy your time then—

I wanted to know if you had at your disposal any duplicate specimens - that I could procure for our Society - Just now I am specially interested in Coal - & would be pleased to receive copy of any of your pamphlets on that subject - (or others) - & any specimens of Nova Scotia Coals that it may be in your power to send -

Yours truly
Jas. C. Lathrop.
