Montreal, 2nd October, 1882.

Dear Sir,

Pubbe Borden

At the last meeting of the Council of the Board of Trade a Committee was appointed to co-operate with other citizens in making such arrangements as may be considered proper for the reception of the members of the British Association for the Advancement of Science, who, at a recent meeting in Southampton, resolved that the meeting of the Association in 1884 should be held in this city. Will you kindly attend a preliminary meeting for purposes of consultation on Monday, the 9th inst., at 4 o'clock p.m., in the Board of Trade Rooms.

Yours respectfully,

F. W. HENSHAW,
President Board of Trade.
