Dear Dr. Dawson:

I have made a copy of the resolutions and sent it to Mr. Kingford for him to forward to Mr.

Fleming. Section I. has the original documents and has not sent a report to Gen. Secy. as called upon to do.

So all Mr. Saunders had was the newspaper copy of the resolutions and I have had a copy of that made from his

report. I wrote Mr. Fleming
in answer to his former
letter and referred him to
Mr. Saunders who at the
time had not sent me
his report. I hope you will
not have any further bother
about this matter. You will
remember that Mr. Fleming's
letter caused considerable
discussion in the Committee
on Standard Time and that
the action taken by Section
I. was an endeavor to
harmonize matters.

Yours very truly
J. W. Dawson
