Dear Dr. Dawson

The volume prepared
by the Local Committee
arrived safe, and I
am very glad to have
the history of the meeting
preserved in so permanent
a form. The copy you
have sent to Minneapolis
will be a great help
to the Local Com. there.

Very truly yours
F. W. Putnam

Do not think I
have forgotten my
promise to send you
a few specimens in
exchange for those
you gave me for
Montreal. I shall
have you in mind
as I look over
specimens this winter.
