My dear Dr. Lusk

I have just returned
from Ottawa and find your
kind note. Thank you very
much for it - the piece so as
I was just a little anxious
about the effect of my speech.
The truth is I did not know
had to speak till the Chairman
called on me - I had to do

What I could at the moment
— I yet I felt the almost
pathetically interesting character
of the audience I was very
Anxious for an appropriate
word — A word in the spirit
at once of Service & Religion.

That you — so eminent
in both — should think
I ~~felt~~ found it is a
great encouragement and
