

In behalf of the Mass. Soc. for the University Education of Women, the writer is to make a Report, Jan. 20th, concerning the progress of the cause of higher education for women in America. Any information which you can give immediately as to—

- (1) Increased facilities: libraries, apparatus, fitting schools, scholarships, new colleges or departments opened to women;
- (2) Favorable changes in public opinion, increased ratio of women in freshman or preparatory classes;
- (3) Better preparation, thoroughness or distinction achieved in any line of work; unusual or higher grade of studies; honors gained; degrees conferred; post-graduate work;
- (4) No. of alumnae following professional or other intellectual work, or any matters bearing upon the subject, will be gratefully received by

Mrs. D. C. Heath,

Jan. 9, 1883.

13 Tremont Place, Boston.
