Principal Dawson,

My dear Sir -

May I ask if you
would kindly favour me
with a letter of intro-
duction to any one of the
Canadian Pacific Rail-
way Directors - whose in-
fluence would procure
me a place as their

Engineer Corps. I am
at present engaged teaching
at St. Lyall's School. I
desire very much to

get on the Canadian Pacific
in the early Spring -

A letter from yourself would
assist me greatly, more especially
should you be personally acquaint-
ed with any of the road men -

My time is occupied
with the teaching I have in hand
till late every afternoon, which
you will kindly accept as my
apology for not calling personally
on you -

I am

Very respectfully yours

John S. Dwyer B.A.
