The President of McGill
Students -

My gentleman

Though, I have no
the honor to know you, I am
sure you'll accept my demand.
So, my gentleman, should you
have the kindness, seen I have
a pharmacy to be raffled (this
pharmacy contains eight dozen
of bottles, and very near all full
of medicine, and with emery
corks, and also, with golden
labels and letters -

Should you have say for
the kindness to interest you ~~of this~~
for one; then I'll give you a list.

The throws will be of twenty
five cents or three for fifty cents.
The throws will be throw the
fifteenth instant of March, may
be at my boarding No 192 La-
ganchetiere Street at the Pelletier
or, I'll come at your Universi-
ty, for, remark I am a student
at the University of Victoria, and
it is because I lost a great deal
of money last year, that now,
I am obliged to sacrifice my
pharmacy - So, if you like
to do me a favor, address your letter
to the number here above, and I'll
come to bring to you a list - So,
I hope you'll make you a duty to come
to do a favor to a poor young English
orphan, who is in the misfortune - viz
your most humble servant
