Dear Sir,

I beg to enclose
herewith receipts for your
cheque received two days,
and can assure you that
it gives me much pleasure
to be able to aid the ex-
patriation of our fisheries in
any way. I shall have
the specimens packed
ready for shipment in a
few days, and shall
send them to Halifax

about the 1st of March,
so as to be in ample
time for shipment, should
any other specimens occur
to me in the mean time,
I shall include them with
the others.

I have the honor
to be your obedient servant
W. D. Jackson

The Honorable
A. W. Melan,
