Dear Principal Dawson

Will you kindly send me  
by mail a copy of McGill College  
Calendar?

We have high hopes for Dalhousie.  
Mr Munro has just authorized us to proceed  
to select a Professor to be the head of a  
Law Faculty. He gives an endowment of  
\$2000 a year. He has also intimated  
privately his intention of endowing two  
other chairs. This latter statement will  
not be made public for some months to  
come; but the Law Chair will be announced  
in a few days. Besides this, Mr Munro  
has already given us three Professors and  
two Tutors, and a large number of  
bursaries. — We hope too that the  
MacLeod legacy will enable us

To increase the efficiency of  
the College.

My object in sending for  
your Calendar is to find  
how you manage your  
Law Faculty & certain  
other departments. Would  
we not be exultant if we could  
get Dalhousie abreast of  
McGill! I am quite sure  
no one would rejoice more  
cordially than the honored  
Principal of McGill.

Yours very truly  
Robert Murray

Principal Dawson Ld. S.
