Pres. J. W. Dawson

My dear Sir.

My Earthquake Report for 1882 has been delayed, but is now nearly ready.

Have you any items for me? Especially anything about Earthquakes in Canada on Feb. 26, Oct 10. and Dec. 4.

Any information will be thankfully received by

Yours very truly  
C. J. Rockwood

If our stamps were of any use in Canada I would put one on the return envelope, but as they are not I am obliged to trust your generosity.
