

Mr. Mevers
Oct 183

Gen. D. Dawson

I have looked over the
Statutes you sent me & fear
that if Sec. 5, P. 33 gives the
whole limit of the help it will
not assist us much. "The Assoc.
rising" however is an expensive
item - to what extent could
we be assisted under that
head - I am really anxious
about the "Association," but

financial state is very
unsatisfactory - Dr. Roddick
declines giving his lectures
for lack of time - & we need
some really popular course
to assist our funds -

I have asked Miss Gardner
to notify a meeting for Thursday
of the G. Com. so you may be
able to suggest something to
Mr. Dandson -

Yrs sincerely
Mary Ann
