My dear Mr. Dawson

I could not use  
the paper, which you have  
kindly prepared for me,  
in the May number, but  
if you will forward it  
to me in season for our  
July issue I shall hope  
to present it to our readers  
in that number.

With the kindest regards  
I remain, yours truly,  
Frederic T. Lippitt
