L.L.D., F.R.S. &c &c

My dear Sir,

Dr Cook has just handed me your note of yesterday to answer. We are quite agreeable to the proposal that the marks for second class shall range from 60 to 75-70. I think the contemplated change an improvement on the

previous arrangement.

That with
Examination papers for
Candidates for Teachers'
Diplomas, & papers for
the Examination of the
Academies & Model Schools,
I am as busy as I can
well be.

Either Dr Cook
or myself will be present
at the Laureation Monday
week,

Yours very sincerely
George Wier
