Principal Dawson, C.M.P.

Dear Sir,

May I ask you
to express to the Normal School
Committee my sincere thanks
for the liberal and kind manner
in which they have acted towards
me since I have been ill.

In this connection I have
much satisfaction in feeling
that whatever consideration I

have met with has originated
with yourself, and must
Express my gratitude to you
for the thoughtful kindness
which has afforded me the
means of doing all that can
be done to effect my recovery.

I cannot but feel that
should my health be re-estab-
-lished in any measure, it
will be owing almost en-
-tirely to the kindness of

the Normal School Committee
and especially of yourself.

I am, dear Sir,

Yours very truly,

Frank W. Weeks.
