1 The Terrace
Kensington
17th Aug. 1883

My dear Sir

I see by the Programme of this years
Meeting of the British Association that you will
be at Southport next month.

I much regret that I shall not
have the pleasure of meeting you. I intend
going to the Continent next week & shall not
return home till the middle of October.

I hope to go next year with my
daughter to the Montreal Meeting.

Yours very truly
J. Gwyn Jeffreys
