Sherbrooke 21: August 1863.

My dear Dr. Dawson.

I met Mr. Ferris a few days ago at Harpswell on the Sea Coast and he told me you intended visiting Jerusalem during your holiday.

I have a cousin there married to a Mr. Saw! Burghim a Banker. Who is also Secretary of the American Consulate.

If you think a letter of introduction likely to be of any service you may use the enclosed. but I know to many people they are unnecessary Mr. Burghim with his father

Our family has lived many
Years in the East and I think
would be of service to you. Both
he and his wife (my Cousin)
are very intelligent people with
well Cultivated Minds.

I wish you a pleasant &
profitable holiday in the best
Sense of the word.

Yours very truly
E. M. Hewitt
