My dear Dr. Lawson

Many thanks for your
kind but most unnecessary
enclosure. I would gladly
do you or your dear
service I could for love, -
I indeed it is now so
clear, tho' you are so
good as to acknowledge
it in this way also.

May our Heavenly Father

Bless the Gay people with
all good, & may He do
with you in your journey,
& keep you & the dear lady
whom, with you, we all
do much love & adore.

With best regard

Yours most truly

J. Stevenson.
