Dear Dr Dawson

My wife & I will be
very glad to see you & your
friends on Monday, and
will have lunch ready for
you at 1:30 -

We will try to get Miss
Gardstone who is the Principal

of the North Hall Newnham
to meet you -

How long can you stay -
for the days are short
and you will have to
hurry much to see all
Cambridge -

Would you wire your plans
when you know more

definitely what your
arrangements will allow you to
spare for us -

With kind regards to Mrs
Dawson

Yours very truly
