Dear Dr. Dawson,

I learned today
from Ashworth that you
have returned and that
you are staying in
Earlsbrone

Castbourne Terrace,

I write this to welcome you
on your return and to
express the hope that we
shall see you and Mrs
Lawson and Eva again
at Chiswick -

I

I am going to Liverpool
tomorrow hoping to be back
on Monday Evening. We
have been here since last
Saturday - My wife goes
back to Chislehurst on
Monday.

J

I saw a paragraph not
long ago in the "Canadian
Gazette" - a London publication
which stated that on your return
to Montreal McGill College would
be called upon to acknowledge
a gift which will provide for building
a Convocation Hall and also
some accommodation for a science
school - I have not heard anything
of it otherwise - If the statement is true
you may know more about it than I
do -
Yours ever
P. Redpath
