

BRITISH MUSEUM (NATURAL HISTORY),

CROMWELL ROAD,

SOUTH KENSINGTON, S.W.

5 June 1884

Dear Dr Dawson,

Thank you for
your MS. & illustrations.
I shall most gladly accept
your series of articles on
the terms you propose,
namely, that you will
pay for your own wood-
cuts, which are to be used
in the Geol. Mag. & are then

to be handed to your own
publisher for your work.

I will try to get the wood-
cuts executed in good style
so far as the sketches per-
mit of being developed
without departing from
your originals.

I wrote to you to Edinburgh
to say the Trustees have
consented to present to you

a Copy of the South African
Monograph on Triassic Reptiles
by Sir R. Owen for yourself
& a set of Casts for the
Montreal Museum.

These shall be sent to
Liverpool, as soon as I can
get them ready, together
with the Archaeopteryx
With kind regards

Believe me

Yours very sincerely
Henry Woodward.
