Dear Principal Dawson

Allow me to introduce  
to you my friend Mr. H.  
Jerneman Wood, one of the  
Secretaries of the Society  
of Arts, who is about to  
visit Montreal in connec-  
tion with the meeting of  
the British Association -

Mr. Wood has an im-  
mense store of general  
information already, and

is desirous to make the  
most of his visit to Canada  
in acquiring more, perhaps  
in the midst of all your  
arduous duties, you may  
find a few minutes  
to assist Mr. Wood in  
his object - With a warm  
and grateful remembrance  
of all the kindnesses received  
from yourself and the  
ladies, during my own  
visit two years ago.

Believe me

very truly yours

John Rae
