All Lower Town seemed astir at day dawn this morning, and there was general rejoicing when the sun rose in all its glory indiof St Joseph's society. The early trains this morning brought large contingents from outside cities and farmers and representatives of sister societies in Hull, Aylmer, Gatineau Point and several other places in Ottawa and Russell counties dreve in this morning. Among those who arrived early at St Joseph's hall was Mr C Berdleau, the gray haired veteran who was the founder of the society in 1863, and was its first president. He was af own much attention by the members and expressed his pride at seeing his efforts crowned with success, and a great future before the organization of which he will always be leoked upon as the funder of, Mr Bordeleau was a shoemaker by trade, and he was rather amused to find that

for Opposition's sake, New York, May 23-A morning paper Winnipeg, May 23 .- [Special]-The Conservative party here is again in a funk ever the resignation of William He-pler the presisays another instance of an unhappy seque te a marriage between an American girl and a titled foreigner has just been brought to dent of the Conservative association. Hes dent of the Conservative association. Here for takes the view that the Greenway government having carried out all the pledges they made, and having secured for the prevince more than was expected of them, should not be opposed by the Conservatives. In believing such to be the case he could not retain the position while a campaign against the government is tenginaugurated. The party are in straits to know who to select to fill his place as good men will not take it, A high old time is expected when the Tory convention meets in June. A meeting is to be held tonight to select candidates to oppose the government in the three A public meeting will be held this evening, light in the trial and conviction in Vienna of Wednesday), at 8 p.m., in the Committee Julianne Meiz for defrauding English insurance companies. Among the fashionable weddings that took place in Brooklyn in 1878 was that of Miss Helen Taurber to the Baron Schenrer of the German empire. At the time of the wedding it was said the baron was of a wealthy fimily, and that he first met Miss Thurber in Paris. Immediately after the ceremony the couple went abroad but in six weeks the young bride was de' serted and returned to her parents. The baron remained in Europe. dates to oppose the government in the three Winnipeg constituencies. TURNED OUT A SWINDLER.

He was a swindler of the first water. Julianne Metz is the daughter of a carpenier. She was thus thrown among strangers at an early ege. In 1877, when 19 years old, she was under the gnardienship of a woman named Marie Schuler, who eccupied the position of head chambermaid in the Hotel Concordia at Bucharest, In this hotel Julianne made the acquaintance of Victor Von Scheurer and eleped with him Von Scheurer took Julianne to Vienna and placed for a year in a young ladies' seminary GALL AND WORMWOOD. Serman Regulations as to Frachmen Entering Alsace Lerry le.
Strasburg, May 23.—The decree in relation to Frenchmen entering Alsace Lerraine her for a year in a young ladies' seminary where she assumed the name of Pauline Janesco. While she studied in the seminary, Baron Scheurer sojourned in Paris. Then he became acquainted with Helen Thurber, the heiress. In 1878, Scheurer took Julianne from the seminary and brought her to Paris. He lived with her only a short time his pseuniary means were rapidly diminish-ing. From Paris he came to America, and n Oat 15, 1878, in Brooklyn, he married Miss Thurbar. Julianne, who was in constant correspondence with him, had in the mean time secured a place as governess in Paris.
After a few months Baron and Mrs Scheurer,
nee Helen Thurbar, returned to Paris and
Juliannews taken into their home, the Baron
introducing her to his wife as his niece and
ward in Paris. The markly had a ward in Paris. The maritial relations of Baron Scheurer and the former, Miss Thur-bar, lasted only six weeks. The Baron had Winnipeg, May 23 —[Speal]—Confracts for track laying on the Red River Valley railroad will be let teday. quandered much of her money, and she ould not or would not supply him with any could not or would not supply him with any more, and he consequently sent her back to this country. Subs quently Scheurer and Jubanne Metz entered into a conspiracy to THE TWO EX PRESERS.

swindle insurance companies, and succeeded in getting \$59,400 for themselves and \$10, 000 for other parties, it having been repre-sented that Scheurer was dead. CAME TO CANADA. In April, 1885, Soh u er became a naturalized subject in Canada under the name of Clareres Percy Reper, and some time afterwards he married the Metz wo man in England. The Baron and Jubanne lived as Mr and Mrs Rover in various places n Europe, more recently in Vienna. The defrauded companies quietly renewed their investigations, and the pair were discovered. rains out, and Miss Metz was sentenced to

AN ATROCIOUS ASSAULT. Peterboro, May 23. — A young man And a chuckle he went up and sat on him, named James Shannon, a printer, who re-cently arrived in town, has been arrested for endeavoring to commit an indecent as-sault upon a fifteen year e'd girl, in the vicinity of the Court house. Her acreams brought assistance and the young man de

A TERRIBLE DEATH, and first floor was a mass of flames. John Cullin, aged 15, and David Clayton, colored, found insensible. He will recover. THE NATIONALISTS ACTIVE.

Dublin, May 23 .- [Special.] -In addition ounced that the federal government had to the meeting in Phœnix Park, at which presented to an arbitration on the question Lord Mayor Sexten presided and the Parnellite manifeste was endersed, the Dubli corporation has convened a meeting for Thursday, and altogether the Nationalist cause has assumed, since the Pope's utter ance; a more active phase than it has undergone for some time. THE GERMAN EMPEROR.

Berlin, May 23.—The Emperor accompanied by the Empress left the palace at ber hose, thebest ever brought to Ottawa, \(\frac{1}{2} \) and 5.30 p m, yesterday in a closed carriage, the weather being windy. They were driven to the Thiergarden, returning to the palace in about an heur. Dr. Mackenzie and Adjutant Brorsicke followed in another carriage. Prince Henry, of Prussia, and the Princess of Saxe Meiningen dined with the Empress

A HORRIBLE ACCIDENT. Lima, O, May 23 .- About 9 o'cleck yes terday morning one of the mest heirible accidents that ever happened here occurred at the Lima paper mills. Tobias P Coon, an employee working in the retary department, while adjusting the belt on a line shaft, had his right hand caught in the belting and torn off. He fell to the ground, after which it took another hold and tere the arm off at the shoulder. The machinery was stopped. the shoulder. The machinery was stopped and dectors summoned. REV. MR SPURGEON.

Lenden, May 23.—[Special]—The reports which have been cabled to the American gress to the effect that the Rev Mr Spurgeon will return to membership of the Bapt'st union are exactly the centrary to the fact. The recent declarations of the union concerning questions of doctrine have effectually parred the return of Mr Spurgeon. He

WALL STREET STOCKS. New York, May 22.-[Special.]- The Pest's financial article says: Dealings in St. Paul were so large a part of the whole business in stocks in the forenoon as to make trading in all other stocks insignificant. The sales in the first hour were 35,000 shares of St. Paul at from 69 at the

order to induce him to resign.

The latter individual says he connection and give it to one that had always done good service and give it to one that had not in the past always given satisfaction. Mr. Leng closed by referring to the gress injustice that had been done to the town of innocent man would have submitted to intimidation under such circumstances. It is the against him, what had he to fear? And there is no preef beyond his own assertion what he was threatened with prosecution in the average Tory squeals when he finds his own business interfered with or perhaps of the control deal of short selling besides the selling of 45,000 shares in two hours to 12 o'clock, it esulted in a net decline of only 3, a much maller decline than would naturally have en expected on so dull a market. Mind your ewn Business.

Those men always succeed best who mind their own business. The reason is probably because they meet with such little competition. Imperial Orean Tartar Baking Powder is the most successful baking powder in the market because it attends to its own business. It sells on its own merits, not by abusing other preparations.

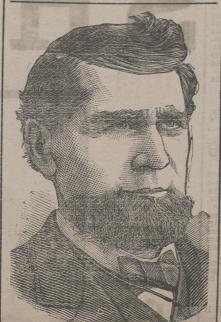

And Butchers' Supplies

Torrow because they meet with such little competition. Imperial Orean Tartar Baking Powder is the because it attends to its own business. It sells on its own merits, not by abusing other preparations.

TTY VIOUNG Broad at the Constant Congression was is not a Republican Congression was is not a Propositionist. Congressman Kaute Nelsen, of the Fift

lain, in its issue yesterday publishes an editorial leader four columns in length, entitled "The Condition of Ireland, a sketch of the Unionist policy." The article opens as follows, "A stage of the Irish question has now been reached which permits, indeed invites, a review of the position and consideration of the future Irish pelicy. "The article closes by laying down the follows a long review of questiens at issue, The article closes by laying down the following main lines of policy in the treatment of Ireland: 1st. The undertaking of extensive public works added by the Irish exchequer; 2nd, land purchase based on Irish crosus and worked under Irish authority; 3rd, reform of the executive administration and of municipal government; 4th and last, the establishment of provincial councils with defined local legislative powers.

The article concludes by commending the above prepositions to all Liberals who would upheld the effective union of the three kingdoms. Mr. Chamberlain has gone to New Forcest, where he will remain a few forcest, where he will remain a few forcest. ember of the house of representatives,

was forty five years old on February 2,1888. When he was between six and seven years old he was brought to this country. Mr. Nelson is a well educated men, and a lawyer with good practice. He fought in the Federal army as private and afterward as non commissioned efficer of a Wisconsin Legislature. He removed into Mrs Beil opened the proceedings by reading an el quent and admirably appropriate address, asking the company's acceptance of the ladies challenge shield.

C.pt Bell replied on behalf of the company and read the regulations for the competition.

Sir Frederick Middleton said the No 6 company had been called the haby.

> The ice lock at Port Arthur has been broken, much to the relief of both passengers A Montreal judge has just decided that a license to sell liquer may be selzed. just as

Dear Mr. Mason,—As I dare say that you are leaving town very soon, this is to wish you a safe journey home, and to say how thoroughly pleased and delighted I was with your planes, which I had the pleasure of hearing and seeing on my last visit to the exhibition at the Oelinderies.

I feel very proud that such fine instruments are made in Cauada, and, as a Canadian, I wish your firm a continued success.

a license to sell liquer may be seized, just as any other property.

An Imperial Federation meeting, at which the usual resolutions were adopted, was held in St Thomas.

O McKiernan, better known as 'Joe Beef,' is said to be a probable candidate for a vacancy in the Montreal council.

The town of Portage ia Prairie, which has been disorganized as a municipality for some time, will nominate a mayor and council on the 3lst inst.

The debate on the resolutions passed at

bilp does your establishment infinite credit, had the tone is beautiful throughout. I mayor of Cork has conveked a public mayor believed a public mayo The Town commission of Ballinasloe ha

unanimously adopted a resolution declining to accept the Pope's ruling in political mat The Mason & Risch instruments are favorites wherever known. Professor Lyons, of the Academy of Music, Rideau street, is sele agent for them in this district. Civing up business." Fancy terms favour bie to the tenants.

Against Early Closing. Editor FREE PRESS-I notice that a poti

tion has been presented to the city council cem what purports to be a majority of the shoe dealers of this city, asking that an early eated in getting up the petition only thought it worth their while to obtain or try to obtain the signatures of the dealers in the obtain the signatures of the dealers in the centre of the city, ignoring or treating as of no account all those of the central parts of the main theroughfares. Take the Chaudiere district for instance and I can count nearly half as many shoe dealers as signed the petition who are opposed to it between Stewart & Fleck's foundry and the city limits. With regard to the merits of the case I wish to say that it would be a gross in justice to compel boot and shoe stores in the districts where workingmen reside to close at the hour named. Workingmen cannot get out during the day to make their cannot get out during the day to make their purchases nor can their wives, the latter being compelled to stay at home to do it a work of the household. It is only in the evenings after the labors of the day are over that they find time to do their shep-

mational. George St. 32tieod

Montreal and Toronto crack

Bicycle kiders, the metropolitan Grounds May 24th, 35 2

—Several boating and pionic parties have been organized and will leave the city tomorrow morning to spend the day up the genal or down the Ottawa. The height of the water makes it rather unsafe on the Ottawe, so the majority of pleasure seekers will take the canal tomorrow for a day's outing.

Montreal and Toronto crack seinched would be ultimately driven out of business as finding little to do in the day time and nothing to do in the evening, he would seen be on the place of the city to nothing to do in the day time and nothing to do in the evening, he would seen be simpled with the sense of the reason that shop keepers do their own clerking. In the nine shoe shops in this district there is not a single clerk employed each of us mir ding our own business in our efforts to earn a lively hood, For these reasons I am epposed to compulsory closing and appeal to the common sense of members of the city gouncil to refuse to impose upon us an arbitrary
