21. January. 1883.

My dear Sir William,

I send you herewith samples of the
New Readers prepared under the direction of
the Education Department of Ontario, and
would be glad to hear how they meet your
views as to arrangement, typography, illus-
tration &c. I am anxious to get the opin-
ion of practical teachers and educators
generally in regard to their merits as a
School book.

Yours truly,

Sir Wm Dawson
K.C.B.
Montreal.
