Dear Sir William,
Mess^{rs} Leyland & Co. having
advised me of receipt per Galerman
of a Case from Genoa for you to my
care. I had it ^{directed from Leyland} shipped by Allan
& Co. on the Sarumatan sailing tomorrow
& I trust it will reach you safely.
There was some delay in obtaining
a delivery order from Leyland's as
I had no document to show in
respect of it. — I enclose mem.
of eleven shilling for charges
before delivery of same, for which
& hold receipts.
I have to acknowledge

With thanks receipt of P.O.O
from you for 26/- expenses
on forwarding you boxes to
Van Koenen, Woodward & others.
— I have had a acknowledgement
(of receipt of 8th box) from A. G.
Bell of Liswick & from Van
Koenen of Söttingen who will shortly
be sending a case of fossils for
you to my care.

Thanks for your promise
(of further contributions) in yours
of Dec. 24, & for your kind good wishes
which I heartily reciprocate.

Your last consignment
has been carefully gone over by Mr.
Marrat & Mr. Higgins. Several
of the specimens were quite new
to us, & our list of desiderata reduced.
— The Graptolites work in well with
a series of British specimens lately
purchased. Yours very truly
Edw. J. W. Dawson F.R.S. &c. F. J. Moore
