

Private
Encl.

Montreal
9th Feb'y 1885.

Dear Sir William,

Thanks for your note. I am better and able to get out a little although I have had a very severe attack of cold and influenza which sticks to me rather more closely than is agreeable.

I hope to be at the meeting on Wednesday.

I enclose you a note which I have received from the Deputy Minister of Marine

Rubon

Feb / 85

and Fisheries this morning.

Yours very truly,

J. H. Rubson

Sir William Dawson, C.M.G.
