

Mr Lee
Minneapolis 18th Feb 85

My dear Sir

Your favor of the 10th

was forwarded to me here.

I am deeply and sincerely grate-
-ful to you for the trouble you
have taken in this matter.

I am not disappointed in the
repetition, for I felt I was too late
in sending it and that it had
lost a great part of its interest
for that reason. The Fortnightly
Review had an article covering
somewhat the same ground in
its December number, but I did
not see it until mine was being
mailed. I will try and make my
next attempt of a less ephemeral
character so that it may have
permanent value. I thank you
very much for your words of
encouragement. I will ask any
visitor who is attending the

ladies course in McGill to get
the manuscript when it comes.

Sincerely yours

H. O. Macfee
