Dear Mr Dawson

I am very glad
that you hold out
hopes of allowing
myself to be
nominated by
the Council.

His time and
travelling was settled
about the Medal
Fund. The amount
will be a little

over £500, & it
is suggested that
the investment
be made by the
authorities of
the College in
Canada. Per-
haps you will
let me know
what you would
propose, & then
probably at the
next meeting

of Council, the
thing might be
wound up so
far as I am
concerned.

A small Committee
is making ar-
rangement about
the die.

Believe me
Y^r very sincere
Rexleigh
