My dear Mr. Maudslayi

Your letter of the 21st

you forward on Thursday

but I have been so much

occupied that I have been

unable until now to answer

you. I have a very severe

cold headache, & I want

one having the pleasure

of writing you at the

collected today. The in-
formation you were
good enough to give me
of the transactions by the
corporate world is very
interesting and it
is to be hoped we shall have no
difficulty in carrying
out the course in connection
with the higher education of
women you and I have to make
at least
Sincerely yours
Doubtless
