

CANADA POST CARD

THE ADDRESS TO BE WRITTEN ON THIS

Sir W. J. Dawson
Principal McGill College
Montreal.

St John W.
2 Apr. '85

I have mailed a copy
of my article on St John
Fauna to you today.
I have concluded not to
use the names of which
I wrote to you, at present;
and in any case will
speak of the groups of
animals indicated, as sub-
faunas. After perusing
the article will you refer
to my letter, and see if you
have any suggestions to offer.
I sent the paper for the Record
to Dr. Hunt today. Yours very truly
G. F. W.
